

LAGOS STATE SCIENCE, RESEARCH AND INNOVATION COUNCIL

Name of Document	LASRIC USER MANUAL FOR RESEARCH APPLICATIONS
Date	9 th September 2022
Author	LASRIC Secretariat

Step 1: log on to <https://lasric.lagosstate.gov.ng/> and click on log-In

The screenshot shows the LASRIC website homepage. At the top, there is a navigation bar with links: Home, About, Council, Gallery, Beneficiaries, and a Login button. A green arrow points to the Login button. Below the navigation bar, there is a large banner with the text "Pioneer the next big idea to enhance lagos." and a sub-header "Driving a culture of Innovation, Science & Technology Research in Lagos and beyond. We invest and enable tomorrow's industries." To the right of the banner is a photo of Aisha Raheem, CEO/Co-Founder of Farmz2u, with a quote: "LASRIC provides the network access that is needed...". Below the banner, there is a "Get Started Today." section with a "Register" button. At the bottom, there is a "Welcome Back" section with a "Login" button and a link to "Don't have an account? Register".

Step 2: Click on 'Register'

Welcome Back

Enter Email

Enter Password

Don't have an account? [Register](#)

Step 3: Fill in all sections and click 'create account', then log-in

Get Started Today.

The registration form consists of five input fields and a button. The first field is for 'Name' with the placeholder 'John'. The second field is for 'Email' with the placeholder 'username@lagosstate.gov.ng'. The third field is for 'Phone' with the placeholder '+1234567890'. The fourth and fifth fields are for 'Password', each with a placeholder of seven dots. A green arrow points from the top of the password fields down to the 'Create Account' button. The button is green with the text 'Create Account' in white.

Step 4: Launch Dash board and click on 'Callups'

The dashboard is for a user named 'Doe'. It features a sidebar with navigation links: Dashboard, Council Members, About Lasric, Callups, and Gallery. The main content area shows a welcome message, a row of five statistics cards (Applications, Pending, Submitted, Accepted, Rejected) all with a value of 0, and two large boxes for 'Pending Applications (0)' and 'Submitted Applications (0)', both indicating no applications are present. A green arrow points from the 'Callups' link in the sidebar to the 'Callups' section of the dashboard.

Step 5: Click 'Read more' on the RESEARCH application section

The screenshot shows the top of the LASRIC website. The header includes the LASRIC logo on the left, navigation links (Home, About, Council, Gallery, Beneficiaries) in the center, and 'Login' and 'Apply' buttons on the right. Below the header is a section titled 'Callups' containing three cards. Each card has an image, an expiration date 'EXPIRES : MON OCT 17 2022', a title, a brief description, and a 'Read More' button with a category tag. The third card, 'LASRIC Cohort V Research Call for Application', is highlighted with a green arrow pointing to its 'Read More' button.

Step 6: Click on 'Start Application'

The screenshot shows the full page for the 'LASRIC Cohort V Research Call for Application'. At the top, it says 'EXPIRES MON OCT 17 2022' and has a red close button. The title is 'LASRIC Cohort V Research Call for Application' with a 'research' tag. The main text describes the call for fund-ready research to mitigate challenges in Lagos State. It lists focus areas: Transportation, Circular Economy, Manufacturing, Agriculture, Clean Energy, and Cloud Computing. It also mentions prizes for the winner, including grant funding of up to ₦5,000,000. A green arrow points to the 'Start Application' button at the bottom.

EXPIRES MON OCT 17 2022

LASRIC Cohort V Research Call for Application

research

What prizes do the Winner of the LASRIC Cohort 5, 2022 receive?

The winner of the LASRIC Cohort 5 will receive subject to the terms and conditions receive grant funding of up to ₦5,000,000.

Start Application →

Step 7: Personal - Fill all columns and click 'Submit & Continue'

The screenshot shows a sidebar on the left with four menu items: 'Personal' (selected with a person icon), 'Project' (with a magnifying glass icon), 'Results' (with a document icon), and 'Budget' (with a wallet icon). Below the menu is a grey button labeled 'Submit Application'. The main content area is titled 'PERSONAL' in orange. It contains three text input fields: 'Institution', 'Department', and 'Co-Researchers (if any)', each with a placeholder 'Please Enter...'. A green arrow points from the 'Co-Researchers' field down to an orange button at the bottom labeled 'Submit & Continue'. At the bottom right of the page, there are small navigation links: 'Back', 'Next', and 'Skip'.

Step 8: Project - Fill all columns and scroll down.

The screenshot shows the same sidebar as in Step 7, but now 'Project' is selected with a magnifying glass icon, and a green checkmark appears next to the 'Personal' item. The main content area is titled 'PROJECT' in orange. It contains three text input fields: 'Project Title', 'Executive Summary', and 'Introduction', each with a placeholder 'Please Enter...'. The 'Submit & Continue' button is not visible in this step.

Step 9: Project- Fill all columns and click 'Submit & Continue'

Step 13: End- Click 'Submit Application'

The image displays two side-by-side screenshots of a web application interface, likely for a grant or project submission. Both screenshots show a checklist with four items: 'Personal', 'Project', 'Results', and 'Budget'. Each item is accompanied by a green checkmark, indicating that all required fields have been completed. Below the checklist, the left screenshot shows a green button labeled 'Submit Application', while the right screenshot shows a green button labeled 'Congrats!, Submitted'. The interface is clean and modern, with a white background and green accents.
